MEMORANDUM FOR: Assistant Director for Scientific Intelligence
THROUGH: Asst. to DD/I (P)
SUBJECT: Clearance Procedures re ELINT Staff Officer

1. If there is no objection, I believe it would facilitate matters and would be of assistance to [REDACTED] if requests for Project AQUA-TONE and TALENT clearances were to be handled by the TSO/OSI.

2. If the above suggestion for any reason is not acceptable, would you be good enough to let me know.
